

PHASE TWO:

# RELAXED PROTOCOLS

Vaccinated individuals are no longer required to wear masks in our locations

**PLEASE NOTE: All Century lobbies are OPEN MONDAY – FRIDAY** and operational during their normal hours. Drive-thru service is available Monday – Saturday.

Throughout New Jersey, restrictions related to Covid-19 are being relaxed. Here's an outline of the strategy being employed by our team, for the comfort and safety of our customers and staff, as we enter this next phase of reopening.

## Safety First

The safety of our customers and our employees remains our top priority. Significant steps have been taken to provide a safe and healthy branch environment using enhanced security and cleaning protocols. Here's what you can expect at Century:

- **Clear safety shields** remain in place at each teller station and desk
- **Hand sanitizing stations** remain available throughout each branch location
- **Frequent cleaning & disinfecting** of work stations, drive-thru canisters and high traffic areas
- **Distance markers** remain to help ensure the comfort level of all visitors
- **Judgement free zone** – Once vaccinated, whether you choose to continue wearing a mask or not is up to you. We acknowledge and respect our customers' and staff's varying comfort levels and preferences. That said...
- Unvaccinated individuals are asked to follow CDC guidance and are strongly encouraged to continue mask use and social distancing practices when inside our facilities; and...
- Symptomatic individuals are asked to refrain from entering the building and get well soon.

We can't wait to see your smiling face!

## Preparing for Your Branch Visit

To help protect you and your accounts, here are a few guidelines to keep in mind during this next phase of reopening:

- For proper identification purposes, we reserve the right to request that those wearing masks **briefly remove your face covering upon entering — within security camera view.**
- For security purposes hats, hoods, and sunglasses should always be removed for the duration of your visit.

All safety and sanitation protocols and requirements may be amended at any time, as warranted by guidance from the CDC and/or local health officials. If a member of our team observes visible signs of illness or if someone refuses to comply with a request to remove their face mask, we reserve the right to ask them to use drive-thru services instead.

We, of course, will continue to monitor conditions and may adjust plans as deemed necessary to protect the health and well-being of our team members, customers, and community.

## Don't forget... you can also bank from virtually anywhere, anytime using the following resources

Through Century's mobile, online, and telephone banking services you can: check balances, transfer funds, deposit checks, find your nearest ATM, and more!

- Mobile Banking: Century Savings Bank app
- Online Banking: [centurysb.com](http://centurysb.com)
- Automated Teller: 877-878-2368

**Thank you for choosing Century.** We appreciate your understanding and assistance in keeping each other safe and healthy. These times may be unprecedented, but our commitment to serving our customers' needs remains the same as it has been since 1865. We're here for you.
