

## Answering the Call

**Beyond the Walls Summer Camp & Education Program** – With Century’s support, low income children in our area are provided with transportation, financial literacy education and a summer feeding program throughout the summer months.

**Financial Literacy for Seniors Seminars** - In an effort to protect those most vulnerable, Century gives free presentations throughout all the markets we serve that cover identity theft, fraud prevention and scam awareness.

**Building Ramps for Veterans** - Century and its employees feel privileged to be able to give a little something back to those who have honorably served our nation and community by building ramps for home access.

**Supporting the Arts** - Programs for the arts suffer greatly due to the high poverty rates in Cumberland and Salem Counties. Century is helping to preserve music lessons and concerts for deserving students with a passion for music.

Whether it’s sponsorship of **horseback riding lessons for autistic children** so they can learn their alphabet, **public sails for students** who otherwise would never enjoy the beauty and richness of the Bayshore region, **scholarships for adult students** returning to college to pursue their American Dream, or sponsorship of a **Hispanic Heritage Celebration** in support of bringing our community together... Century answers the call!

## A Legacy of Giving and Service

Every time we open our doors, open an account, or close a loan, we continue a commitment that’s been growing since 1865 to foster a brighter future for our customers, our communities, and the world we live in.

Supporting local communities through giving has always been a cornerstone of our business and a belief that guides so many of our decisions. That’s why every year, we give direct support to over 100 local charitable organizations. We also believe that donating our time, talent and resources is equally as important as the income we give, and we are proud to say our team members give thousands of hours volunteering in their communities every year. As we look to the future, we will build on this tradition of **Giving Where We Live**.
