Century Savings Bank Cuts Ribbon on New Operations Center

VINELAND, NJ (December 27, 2016) –Century Savings Bank (CSB) celebrated the opening of its new operations center located at 1376 West Sherman Avenue, Suite A, in Vineland with a ribbon cutting ceremony on December 21, 2016.

Bank employees previously housed in three separate locations will now benefit from the collaborative work atmosphere, shared resources, advanced technology and greater efficiency of operations that the 10,000 square foot facility will provide. The center will serve as a home to support departments, including information technology, accounting, human resources, operations, marketing, audit, compliance as well as a state-of-the-art training facility for bank staff. The Century Savings Bank corporate office, located right next door, will continue to house the bank's customer-facing platforms including a retail branch, mortgage and consumer lending, commercial services and the executive suite.

“The operation center stands as a symbol of our mission to preserve and grow Century Savings Bank for generations to come,” President/CEO David J. Hemple said. “We are confident the new workspace will have a positive impact on our ability to collaborate more efficiently across many bank functions, while providing premium office space for our employees. There's genuine excitement about our new home and, more importantly, even greater excitement about Century's future,” continued President Hemple.

Over the past decade, the bank's assets and loans have doubled in size. The bank's high rate of growth, combined with the advances in technology within the financial services industry, resulted in the Century board of directors and administrative team expanding the corporate campus with the new full-service operations center.

"Our highest priority continues to be in providing excellent customer service and financial products at competitive rates," Chairman J. Alan Woodruff said. "Giving our employees the resources they need to help our customers achieve their financial goals is an important part of our plan for success as a bank."
